Global Standards & Certifications

SOS is a member of BIFMA and is one of the leading Indian brands offering environmentally sustainable products as per ANSI/BIFMA e3-2014 standards. BIFMA compliance gives manufacturers, suppliers, architects, designers and government agencies a benchmark for production of sustainable office / institutional furniture and seating products. This mark establishes performance criteria that address environmental, economic and social aspects throughout the supply chain.

Our commitment towards industrial practices,
environmental and social impact

ISO Certification

SOS maintains the highest quality and safety standards and has certifications like ISO 9001-2015, ISO 14001-2015, and ISO 45001-2018.

IGBC Certification

SOS' state-of-the-art manufacturing plant at Nagpur is IGBC Green Gold certified.

GreenPro Certification

SOS offers GreenPro certified products. GreenPro label is a mark of guarantee that the product is environment friendly through its life cycle.

BIFMA Certification

BIFMA (Business and Institutional Furniture Manufacturer's Association) is a not-for-profit trade association for business and institutional furniture manufacturers. Since 1973, BIFMA has been the voice of the commercial furniture industry.

ANSI / BIFMA X5.1 certification for safety and performance

All components test as per BIFMA standards

ANSI / BIFMA X7.1 certification for determining VOC emissions

SOS products are manufactured to the highest standards of quality and are ANSI/BIFMA e3-2014 certified. Key components of our dewet range are tested and certified as per ANSI/BIFMA X7.1 for VOC and most of the chairs are certified with ANSI/BIFMA X5.1 for user safety and performance.

Workstations

A New Generation System designed by London based international designer Tim Wallace, ANND® is remarkably scalable and addresses the challenges posed by different work styles in modern workspaces. A fusion of workstation types, ANND® truly lets you break out of the cubicle.

- A complete system with a unified language across varied configurations
- Subtly designed scallops on table tops for hassle free access to power outlets
- Strong and sturdy understructure with intelligent components

MOTION TABLE

Seamlessly height adjustable tables

Motion height adjustable tables are the perfect choice for addressing the wellness needs of people at work. Motion comes with a host of features including privacy screens and wire management.

- Can be offered as a single desk or as a cluster of workstations
- Individually motorized / manually operated legs and preset options for effortless and fast usage
- UL certified iController system

Workstations

LINEO®

Be what you want to Be

An innovatively designed modular desking solution, Lineo® is a system that forever evolves with you. Lineo®'s flexibility in customisation ensures that you never have to compromise on what you want.

- Wide choice of leg styles including customised legs
- Variety of privacy screen types and colours
- Offerings cover entire office landscape

SLIDESIXTY®
workspace perfected

SlideSixty® is every space-designer's dream, offering everything that modern workspaces need with a combination of modularity, functionality and aesthetics.

- SlideSixty® is offered with choice of 60mm or sleeker 28mm return frames
- Slide-on tiles to ensure perfect alignment
- Anodised and powder coated aluminium frame

Cabin solutions

Built with an exciting blend of wood, aluminium and premium PU painted components, Radio® reflects a pleasing and retro look that belies its in-vogue design and features.

- Top with profiled aerofoiled edge and rounded corners finished in hi-gloss PU
- Membrane foiled MDF facia panels with choice of colours
- High chrome Hettich handles with soft closing hinges and channels

CUBE Big and Bold

A superbly crafted suite, Cube is built lavishly for a king-size feel. Whether in veneer or pre-laminate finish, Cube reflects a sense of grandeur and authority that befits top bosses.

- Available with veneer and pre-lam finish
- King sized and lavishly built
- Integrated storage cum pedestals

Cabin solutions

WRAP

Wrap is a cabin table with a classic design and a two-tone finish that uses modern materials and offers all that you expect- side and back storages, access flaps and wire management.

- Back storage units with 3/4 door options
- Access flaps and provision for mounting switches
- Colour options : Moldau Acacia light & Slate Grey; Moldau Acacia light & Slate Grey

LINEO

Be what you want to Be

Lineo® Cabin tables offer the same flexibility as the workstations, giving you a choice of elegant finishes, stylish legs and storage options.

- Wide choice of leg styles including customised legs
- Range of table top finishes and modesty panels
- Choice of side and back storage configurations

STEELINE

Steeline® is a robust, avante-garde cabin furniture defined by its characteristic high gloss SS edge liner, high grade membrane finished tops and heel legs.

- Beautifully moulded waterfall edge table top
- High-gloss Stainless steel edge liner
- Modesty panel with laser cut embellishments

Tech-enabled products

Powered by intelligent electronics, DAiLOC® (Dynamically Assigned Intelligent Lockers) harnesses patented technology to provide a space optimized locker system with biometric (finger print) and RFID based access control - a system that offers you compelling benefits.
